

Oregon American College of Emergency Physicians Endorsement

Oregon ACEP Protocol to Check POLST in the ED

**"The Oregon Chapter of the American College of Emergency Physicians (Oregon ACEP) recommends that Emergency Departments implement a protocol to routinely check for Portable Orders for Life-Sustaining Treatment (POLST) forms for anyone 85 or older, and anyone coming to the ED from a residential care facility."**

Approved by the Board of Directors of the Oregon Chapter of the American College of Emergency Physicians: September 26, 2019
